## What makes us different

### We're people who help people

We're driven to make life better for our clients, our colleagues, and our communities.

### We're reliable

When we say we're going to do something, we do it. And we have 40+ years of keeping our word.

### We're privately owned

We have the freedom and focus to do what's right for the long term — whatever it takes.

### We're trusted

We've developed lasting relationships as trusted advisors and have loyal, long-term clients.

## Our focus

### Clients

Partner strategically with our clients to help them achieve full business potential.

### Colleagues

Provide the resources our employees need to maximize their personal and professional lives.

### Communities

Improve the lives of the people in the neighborhoods, cities, and countries where we live and work.

## What we do best

### Talent

We attract, develop, and empower people — those who are passionate about creating results.

### Technology

We use a broad spectrum of modern tools and methods to address the most complex business challenges.

## CAI Neurodiverse Solutions

CAI Neurodiverse Solutions helps private and public organizations drive value, improve productivity, and enhance the customer experience by realizing the benefits of neurodiversity.

CAI manages not only the recruiting, selection, and hands-on-training of team members, but also the cultural integration, on-the-job supervision, skill development, and ongoing performance management.

**Career foundation and advancement** for neurodivergent individuals

**Unique employment model** brings an untapped talent pool to your workforce

## We are CAI

CAI is a global technology services firm with over 8,500 associates worldwide. We have over 40 years of excellence in uniting talent and technology to power the possible for our clients, colleagues, and communities. As a privately held company, we have the freedom and focus to do what's right – whatever it takes. Our tailor-made solutions create lasting results across the public and commercial sectors, and we are trailblazers in bringing neurodiversity to the enterprise.
